

/home/ilya/Graphika
/src/app/head/ui/menu.h

```
graph TD; A["/home/ilya/Graphika  
/src/app/head/ui/menu.h"] --> B[QMenuBar]; A --> C[QMainWindow]; A --> D[QtWidgets];
```

The diagram illustrates a C++ header file's includes. A central box at the top contains the file path `/home/ilya/Graphika/src/app/head/ui/menu.h`. Three blue arrows originate from the bottom of this box and point to three separate boxes below it. These boxes are labeled `QMenuBar`, `QMainWindow`, and `QtWidgets`, representing the Qt widget classes included in the header file.

QMenuBar

QMainWindow
